

Career and College Promise (CCP)

CCP provides dual enrollment opportunities **tuition-free** for eligible NC high school students

2017 CCP Information Session

Career and College Promise

Gaston College Overview of High School Programs

- GC works with 25 high schools in both Gaston and Lincoln counties (public, charter, and private high schools) as well as an increasing number of home school students.
- Eligible high school juniors and seniors can enroll in college courses through the Career and College Promise (CCP) Program.
 - CCP provides seamless dual enrollment educational opportunities tuition-free for eligible North Carolina high school students.
 - CCP allows students to accelerate completion of college certificates, diplomas, and associate degrees that lead to college transfer or provide entry-level job skills.
 - CCP is very prescriptive.

College Transfer (CT) Pathways

There are three College Transfer Pathways:

- Pathway Leading to the Associate in Arts
- Pathway Leading to the Associate in Engineering
- Pathway Leading to the Associate in Science

Entrance Criteria

- Must be a junior or senior
- Must have a weighted GPA of 3.0 on high school courses
 - For CTE Certificates, must have a weighted GPA of 3.0 on high school courses **OR** principal approval
- Must demonstrate college readiness on an approved assessment (PLAN, PSAT, SAT, ACT, COMPASS, Accuplacer, ASSET)
 - For CTE Certificates, assessments are only needed if courses have prerequisites
- Must maintain 2.0 college GPA after 2 courses

Additional Notes

- CCP students can enroll in one CT Pathway only (AA , AE, or AS)
- CCP students can enroll in one CT Pathway and one C-TE Pathway at the same time
- CCP students can take two C-TE Pathways at the same time
- Approval is required by the high school principal/designee and the College in order to make any pathway changes.

Process for Enrolling

- Counselors meet with students, and complete CCP Enrollment Forms. *Completion of a new form is required for all students each semester.*
- New students complete online GC Application for Admissions:
 - Access the online Gaston College Application for Admissions at <http://apply.cfnc.org/application/GastC/NCCCSUndergraduate/GastCUndergradApp>.
- If test scores are required, students must complete the online Gaston College Application for Admissions prior to scheduling and taking the NC DAP (North Carolina Diagnostic Assessment and Placement) test. Other test scores listed on the second page of the CCP Enrollment Form are also acceptable.
- Attach required documentation
 - Copy of an assessment with scores that demonstrate college readiness for all College Transfer Pathways and some CTE Pathways – see pathway sequences
 - Official high school transcript

Cost Savings

- NC General Assembly authorizes community colleges to waive tuition for high school students enrolled in college courses through the CCP Program
 - If high school students had to pay tuition, the tuition costs are \$76.00 per credit hour.
- Savings for CT Pathways are approximately \$2432 (32 SHC)
- Savings for CTE Certificate Pathways range from \$1064 - \$1824 (14-24 SHC)

Student Expectations

- Follow directions on Student Login Form and log into WebAdvisor, set up GC student email account and Blackboard account
- Understand college expectations are different than high school expectations
- Attend class regularly (face to face, hybrid, or online) Online courses take as much time as traditional face-to-face courses. Students need to set aside sufficient amount of time for study and are required to participate actively in online discussions and group assignments.
- Students need to login each day to keep up with the content flow, complete assignments, follow discussions and communicate with your classmates and instructor (in a professional not “texting” manner).
- Communicate directly with college instructor
- Expect to be treated as a college student
 - Consequences for lack of participation or attendance may result in being withdrawn for the course(s) by the college instructor
