

## Career and College Promise (CCP)

CCP provides dual enrollment opportunities **tuition-free** for eligible NC high school students

**2018 CCP Information Sessions**

# Career & College Promise

## Agenda

- Student Perspective
- Faculty Perspective
- CCP Program Information
- Entrance requirements
- Expenses
- Expectations
- Q & A

# Career & College Promise

## Gaston College Overview of High School Programs

- GC works with 25 high schools in both Gaston and Lincoln counties (public, charter, and private high schools) as well as an increasing number of home school students.
- Eligible high school juniors and seniors can enroll in college courses through the Career and College Promise (CCP) Program.
  - CCP provides seamless dual enrollment educational opportunities tuition-free for eligible North Carolina high school students.
  - CCP allows students to accelerate completion of college certificates, diplomas, and associate degrees that lead to college transfer or provide entry-level job skills.
  - CCP is very prescriptive.
- In addition to CCP, there is currently one Cooperative Innovative High School Program in Gaston County – Gaston Early College High School (GECHS).
  - Open to GCS 8<sup>th</sup> grade students only

# Career & College Promise

**Gaston College**  
Opportunities For Life

## Guest Speakers

## College Transfer (CT) Pathways

There are five College Transfer Pathways:

- Pathway Leading to the Associate in Arts
- Pathway Leading to the Associate in Engineering
- Pathway Leading to the Associate in Science
- Pathway Leading to the Associate in Fine Arts – Visual Arts
- Pathway Leading to the Associate Degree Nursing

# Career & College Promise

## Career & Technical Education Certificates

- Air Conditioning, Heating and Refrigeration – Heat Pump Certification
- Automotive Technology - *Dallas Campus*
- Basic Biotechnology
- Business Administration
- Computer-Integrated Machining Technology
- Cosmetology – *Lincoln Campus*
- Criminal Justice Technology
- Early Childhood Education \*
- Electrical Systems Technology -Industrial Wiring
- Electronics Engineering Technology
- Emergency Management
- Emergency Medical Science
- Esthetics - *Kimbrell Campus*
- Information Technology
- Fire Protection Technology
- Foundations of Biotechnology
- Healthcare Informatics
- Human Services Addiction & Youth in Crisis
- Human Services Leadership
- Latent Evidence
- Manufacturing Technology
- Mechatronics Engineering Technology
- Nurse Aide
- Office Administration
- Paralegal Office Administration
- Welding Technology

\*Pending State Approval

## **NURSE AIDE UPDATE**

- Nurse Aide I (NAS 101) – Students can only enroll if they are at least 16 ½ years old before they start the class. (Due to clinical requirements, students must be seniors to enroll.)
- All students must have (2) forms of current, not expired, official signature -bearing identification in order to register and take the North Carolina Nurse Aide I examination and skills evaluation. One of the identification forms must be photo -bearing and one form must be a U.S. government -issued Social Security card, signed and non-laminated.

## Entrance Criteria

- Must be a junior or senior
- Must have a weighted GPA of 3.0 on high school courses
  - For CTE Certificates, must have a weighted GPA of 3.0 on high school courses **OR** principal approval
- Must demonstrate college readiness on an approved assessment (PLAN, PSAT, SAT, ACT, COMPASS, Accuplacer, ASSET)
  - For CTE Certificates, assessments are only needed if courses have prerequisites
- Must maintain 2.0 college GPA after 2 courses

## Additional Notes

- CCP students can enroll in one College Transfer Pathway only
- CCP students can enroll in one CT Pathway and one C-TE Pathway at the same time
- CCP students can take two C-TE Pathways at the same time
- Approval is required by the high school principal/designee and the College in order to enroll in more than one pathway.
- Approval is required by the high school principal and the College Vice President for Academic Affairs in order to make any pathway changes. (Justification must be provided.)

## Process for Enrolling

- New students complete online GC Application for Admissions:
  - Access the online Gaston College Application for Admissions at <http://apply.cfnc.org/application/GastC/NCCCSUndergraduate/GastCUndergradApp>.
- If test scores are required, students must complete the online Gaston College Application for Admissions prior to scheduling and taking the NC DAP (North Carolina Diagnostic Assessment and Placement) test. Other test scores listed on the second page of the CCP Enrollment Form are also acceptable.
- Attach required documentation
  - Copy of an assessment with scores that demonstrate college readiness for all College Transfer Pathways and some CTE Pathways – see pathway sequences
  - Official copy of high school transcript
  - Copy of Home School Card (if applicable)

**Completion of a new form is required for all students each semester.**

## Cost Savings

- NC General Assembly authorizes community colleges to waive tuition for high school students enrolled in college courses through the CCP Program
  - If high school students had to pay tuition, the tuition costs are \$76.00 per credit hour.
- Savings for CT Pathways are approximately \$2500 (32 SHC)
- Savings for CTE Certificate Pathways range from \$1064 - \$2000 (14-24 SHC)

# Career & College Promise

## Other Associated Costs

- Fees
  - Student Activity Fee - \$15.00
  - Usage Fee - \$12.00 per semester
  - Lab Fee – Varies depending on level of course
    - \$6.00, \$12.00, or \$18.00 per lab hour
  - Technology Fee - \$16.00 per semester
- Textbooks
  - Textbooks range in price from \$50 - \$300+
- Additional Program Costs
  - Cosmetology
  - Esthetics
  - Nursing
  - Welding

## Student Expectations

- Follow directions on Student Login Form and log into WebAdvisor, set up GC student email account and Blackboard account
- Understand college expectations are different than high school expectations
- Attend class regularly (face to face, hybrid, or online) Online courses take as much time as traditional face-to-face courses. Students need to set aside sufficient amount of time for study and are required to participate actively in online discussions and group assignments.
- Students need to login each day to keep up with the content flow, complete assignments, follow discussions and communicate with your classmates and instructor (in a professional not “texting” manner).
- Communicate directly with college instructor
- Expect to be treated as a college student
  - Consequences for lack of participation or attendance may result in being withdrawn for the course(s) by the college instructor

# Career & College Promise

- **(T\*)** on the schedule denotes the course is listed on the North Carolina Comprehensive Articulation Agreement (CAA) between the NC Community College System and the UNC University System. These are Universal General Education Transfer Components (UGETC) and will receive the same weighted credit as Advanced Placement (AP) courses (with benefit of no AP Exam).
- **(T)** on the schedule denotes the course is listed on the CAA, and these courses will receive honors credit on the high school transcript.

# Career & College Promise

The Family Educational Rights and Privacy Act of 1974 (FERPA)

- **Benefit:** Protects students by limiting what can be shared and with whom
- **Bind:** Restricts what can be communicated to the parent by college faculty and staff.
- **Solution:** Student completes and signs FERPA form authorizing college faculty and staff to communicate with specified individuals.
- **Form:** There is a Student Consent Form available, and if interested, students should contact the Director of Records and Registration.

# Career & College Promise

## Disability and Special Needs Resources

- Gaston College is committed to providing equal access to higher education for individuals with disabilities. As part of our mission, we serve the lifelong learning needs of a diverse population by providing comprehensive educational programs to all students. The Counseling Center provides reasonable accommodations to any student, with a documented disability, who requires accommodation.
- For further information, please contact the Special Needs Counselor, Damon Murray at 704-922-6224, [murray.damon@gaston.edu](mailto:murray.damon@gaston.edu).
