Both (T*) and (T) indicate the course is transferable and listed on the Comprehensive Articulation Agreement (CAA) between the UNC System and the NC Community College System and receives the same weighted credit as AP courses at the high school level for rising juniors beginning fall 2017. (T*) denotes the course is also a Universal General Education Transfer Component (UGETC).

NOTE: Not all CCP Pathways have special “P” sections. Students may take any section of a course in their pathway though regular college sections will run on Gaston College’s calendar and may begin August 19. Students should refer to the Gaston College Fall 2019 Semester Schedule for a listing of all courses offered.

Face to Face = Courses will be taught on campus face to face and may have an online component.

- “D” indicates Dallas Campus
- “K” indicates Kimbrell Campus in Belmont, North Carolina
- “L” indicates Lincoln Campus in Lincolnton, North Carolina

Hybrid = Courses meet on campus and online – 51% or more of the instruction is delivered online.

- “7” following the first letter is for a hybrid course (ENG 111.D7A)

Online = Courses will be taught online (several courses may have a face to face required meeting date)

- “6” following the first letter is for an online course (ENG 111.D6A)

Blended = Courses meet on campus and online – 50% or less of the instruction is delivered online.

CCP course sections include a “P”. Some are taught on a high school campus, and only students attending the high school where the courses are being delivered may be enrolled.

Students may also enroll in other courses within their pathway though other courses will run on Gaston College’s calendar and may begin August 19.

If students want to take a course being offered but the time is not convenient, they may take a different section of the same course though other sections will run on Gaston College’s calendar and may begin August 19.

College courses delivered at a high school are only for students who are enrolled at that high school.
