MYERS-BRIGGS TYPE INDICATOR® - Online Directions for Gaston College

The Myers-Briggs Type Indicator® is a popular and effective assessment that can give you strong insight into your personality and what works most naturally for you. All users go to: https://online.cpp.com/en/index.aspx.

Log-in: gccareers Password: gcstudent1
UserID: For first-time users, leave this section blank. You will be given a UserID only if you have started the assessment, but do not complete it. Enter it here to continue taking the assessment.

1. Log into the website with the log-in information above.
2. Click the “Begin” button next to the “MBTI Step I (Form M)”
3. Under “Batch Name”, choose the department you received these instructions from. Choose “Web Batch” if you are unsure.
4. Complete the background information, and click “Continue” (leave “Personal ID” blank)
5. Answer the questions on this page also, and click “Continue” and complete the assessment.

After completing the assessment, you will not be able to see your results. You must make an appointment with a Counselor in the Counseling Center or the Persistence & Retention/Title III department to review your results.

**Tip:** Each question has two possible answers. If you are having trouble answering the question, consider:
- If you had your choice, which would you rather do/be (even if it’s not what you do most often)?
- What comes most naturally/seems the easiest to you?
- If this were a perfect world, I would do/be ___.
