

Gaston College Veterinary Medical Technology
Work/Volunteer/Observation Form

The Veterinary Technology Program requires at least 40 hours of working, observation or volunteering in a veterinary facility under the supervision of a veterinarian or veterinary technician. Shelter environments only count if direct care is provided to the animals, ie: spay/neuter clinics. Cleaning runs or walking dogs in a shelter does not count.

Please turn this form in with your application. You may hand deliver both the application and this form to Barbara Burgess in the David Belk Cannon Health Institute, office number 113 or scan and e-mail to burgess.barbara@gaston.edu.

This form **must be complete** in order for points to be assigned. Please make sure all portions are filled out with adequate and correct information. If there is not enough information for us to assign points, we will not be able to process your application. Points are assigned based on the number of hours. Any falsified information will result in the nullification of your entire application.
