

Gaston College Veterinary Medical Technology
Work/Volunteer/Observation Form

The Veterinary Technology Program recognizes that working, observing, or volunteering in a veterinary facility under the supervision of a veterinarian or veterinary technician is valuable experience. Shelter environments count if direct care is provided to the animals, ie: spay/neuter clinics.

Please submit this form with your application to earn additional points.

This form **must be complete** in order for points to be assigned. Please make sure all portions are filled out with adequate and correct information. Any falsified information will result in the nullification of your entire application.
