

2016-2017 Verification of Bachelor's Degree

Your 2016-2017 Free Application for Federal Student Aid (FAFSA) was selected for review in a process called verification. The law says that before awarding Federal Student Aid, we may ask you to confirm the information you reported on your FAFSA. To verify that you provided correct information, the Gaston College Financial Aid Office will compare your FAFSA with the information on this worksheet and with any other required documents. If there are differences, your FAFSA information may need to be corrected. You must complete and sign this worksheet, attach any required documents, and submit the form and other required documents to the Financial Aid Office at the address below. If you have questions about verification, contact us at 704-922-6227 as soon as possible so that your financial aid will not be delayed.

You are not eligible to receive a Federal Pell Grant because you reported that you have a bachelor's degree or you are working on a degree beyond a bachelor's degree, or both.

Please indicate below whether or not you have a bachelor's degree by checking the correct answer:

- I **do** have a bachelor's degree or I am working on a degree beyond a bachelor's degree.
