

2016-2017 Parent Financial Information

Your 2016-2017 Free Application for Federal Student Aid (FAFSA) was selected for review in a process called verification. The law says that before awarding Federal Student Aid, we may ask you to confirm the information you reported on your FAFSA. To verify that you provided correct information, the Gaston College Financial Aid Office will compare your FAFSA with the information on this worksheet and with any other required documents. If there are differences, your FAFSA information may need to be corrected. You must complete and sign this worksheet, attach any required documents, and submit the form and other required documents to the Financial Aid Office at the address below. If you have questions about verification, contact us at 704-922-6227 as soon as possible so that your financial aid will not be delayed.

B. Parent's Income Information to Be Verified—Note: If two parents were reported on the FAFSA, the instructions and certifications below refer and apply to both parents.

1. TAX RETURN FILERS—Important Note: If the student's parent(s) filed or will file an amended IRS tax return, the student's financial aid administrator must be contacted before completing this section.

Instructions: Complete this section if the student's parent(s) filed or will file a 2015 income tax return with the IRS. *The best way to verify income is by using the IRS Data Retrieval Tool (IRS DRT) that is part of FAFSA on the Web at FAFSA.gov. If the student's parent(s) has not already used the tool, the parent and the student should go to FAFSA.gov, log in to the student's FAFSA record, select "Make FAFSA Corrections," and navigate to the Financial Information section of the form. From there, follow the instructions to determine if the parent(s) is eligible to use the IRS Data Retrieval Tool to transfer 2015 IRS income tax information into the student's FAFSA. In most cases, for electronic tax return filers, it takes 2-3 weeks for IRS income information to be available for the IRS DRT and 8-11 weeks for paper IRS tax return filers. If you need more information about whether or how to use the IRS Data Retrieval Tool, see the student's financial aid administrator.*

Check the box if it applies:

- I, the parent(s), have submitted to the student's school copies of my **2015 IRS tax return transcript(s)**—not photocopies of the income tax return. *To obtain an IRS tax return transcript, go to www.irs.gov and click on the "Order a Return or Account Transcript" link, or call 1-800-908-9946. Make sure to request the "IRS Tax Return Transcript" and not the "IRS Tax Account Transcript." Use the Social Security Number (or the IRS individual taxpayer identification number) and the date of birth of the first person listed on the 2015 IRS income tax return, and the address on file with the IRS (normally this will be the address used on the 2015 IRS income tax return). It takes 2-3 weeks for IRS income information to be available for electronic IRS tax return filers and 8-11 weeks for paper IRS tax return filers. If the parents are married and separate 2015 tax returns were filed, 2015 IRS tax return transcripts must be submitted for each parent.*

2. TAX RETURN NONFILERS—Complete this section if the student's parent(s) will not file and is not required to file a 2015 income tax return with the IRS.

Check the box that applies:

- I, the parent(s), was not employed and had no income earned from work in 2015.
