Katherine Harper Testing Center

The testing center will be moving to our new location on January 2, 2013!

We'd like to welcome you to the new **Katherine Harper Testing Center (KHTC)**, located in the Craig Arts & Sciences (CAS) Building, Room 209, 2nd floor, near the elevator

We will be offering the following tests: Compass  Placement, TEAS V for Nursing and VET TECH, Residual ACT

To sign up for Compass/Placement Test go to **www.gaston.edu**. Under "Future Students" choose "Admissions Information", then click the yellow "SCHEDULE NOW" button to proceed. This will give you the days and dates available on all three campuses. It also offers a comprehensive COMPASS STUDY GUIDE to prepare for the test.

To take the TEAS V, for Nursing or VET TECH, and Residual you must first go to the Business Office, located downstairs in the Myers Center and first pay the required fee.

To schedule an appointment, or for more information click  the Testing Center at 704.922.2433
