### Student Instructions

- Times are based on first lecture class meeting in the week.
- Classes will meet in their normally assigned rooms unless otherwise notified.
- No student is required to take more than two exams on any one day. If you are assigned to more than two examinations on any one-day, please work with your instructors to have the third assigned exam rescheduled
- Students should check their syllabi to see if there is an in-person final exam for their online classes. Instructors of online classes who require on-campus finals that are not at the Learning Center or at an approved proctored location should work through the Dean's Office to schedule final exams.
