Multi-Factor Authentication (MFA)

MFA setup is required for all first time users. This includes curriculum and continuing education students.

Gaston College requires MFA before accessing all student applications. MFA is a security enhancement that requires two forms of verification when using your Office 365 logins. Gaston College recommends Microsoft Authenticator as the MFA. The setup process is simple and should only take 5–10 minutes.

Select **ONE** of the following options:

- From your iOS or Android mobile phone, download and install the Microsoft Authenticator app.
 1. Select “Add a new way to sign in or verify” add choose “Use an app”
 2. If you’ve already installed the app, select Next to display a QR code.
 3. In the authenticator app, select the three dots, click Add account.
 4. Choose the account type and scan the QR code.
 5. Click Finish.
- From your PC, download and install the Microsoft Authenticator app.
 1. From the student email page, type your student email (Self-Service username@mymail.gaston.edu).
 2. Click Next on the “More information is required screen”
 3. Then, tab Next and follow the directions to setup the Authenticator app.

Obtaining Self-Service Username and Student ID

Your Username and Student ID number were provided to you after completing the admission application. They were mailed to the address provided on your admission application. If you need assistance with your log-in credentials, please call 704.922.6232 or 704.922.6420.

You may also obtain your username from Self-Service

1. Go to *gaston.edu*
2. Click the SELF-SERVICE link.
3. Click on SELF-SERVICE button.
4. Click "Forgot your username"; then type in your name and email address; click Submit.

Obtaining Your 7-Digit College ID# (Note: Must log in to Self-Service to obtain.)

1. Follow the steps above for logging into Self-Service
2. Click on your username at the top of the page, then User Profile. Your College/Colleague ID# will be displayed under your name in the ABOUT YOU section at the top of the page.

Password Management

Multi-factor authorization (MFA) must be setup prior to changing your password.

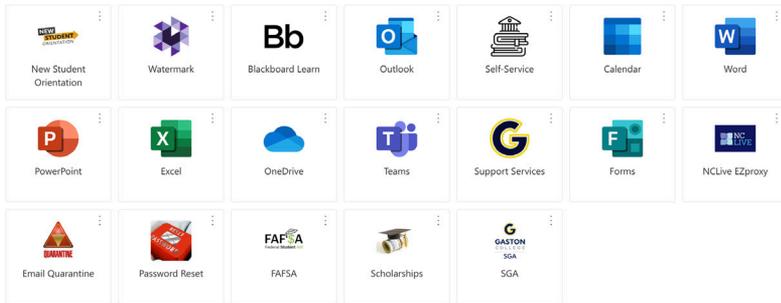

One password will access Self-Service, Outlook/Email, Blackboard Learn for curriculum students, Watermark, Lab Printing, and Wi-Fi. If you need assistance with your log-in credentials, please call 704.922.6232 or 704.922.6420.

Resetting your password within these applications

1. Type in your student email address (self-service username@gaston.edu)
2. Click Forgot my password.
3. Type your Email or Username.
4. Type the provided characters.
5. Click Next.
6. Follow the verification steps.
7. Enter your new password and confirm by entering it again.
8. Click Finish.
