

Gaston College partners with local food trucks to provide additional meal options for our campus community. If you're a food vendor interested in joining our rotation at the Dallas, or Lincoln campus, please complete this Food Vendor Application and submit all required documents for review to rhinoshop@gaston.edu

Applications are typically processed within 5–7 business days, and approved vendors will receive a contract outlining operational expectations and scheduling details. Standard lunch service occurs Monday–Thursday during the mid-day window, and placement in the rotation is based on availability and campus needs.
